

Fee Structure:

In order to manage our services better and make the services available to the most people, we have a fee structure in place so that care is available but very affordable:

- First 4 Hours in a week - FREE
- Next 12 hours in a week - \$1.00/hr
- Next 9 hours in a week - \$2.00/hr

Services are first come, first served with reservations given priority.

Good News to help you pay!

Parent classes will be offered through Sunshine Tykes where you can earn \$5 worth of "Day Care Dollars" for every hour you attend. You can use these dollars to offset the cost of care.

Watch for information on these classes.

How Do I Sign Up?

You must fill out an initial application but once the application is complete, you may use the center whenever you need it and space is available.

You can get the application online at www.klcas.org

We encourage you to visit the center with your child(ren) before you need it so you can complete the paperwork and meet the staff.

It is also a good idea to make a reservation as spaces are given out on a first come, first served basis.
